goal:

- criar app "de perguntas e respostas" que é capaz de encontrar as melhores composições para X mapa, tendo em conta as respostas dadas.

PERGUNTAS:

- Part1: Choose your "style"

- > What style do we want to lean into?
 - > Aggro
 - > Control
 - > Midrange
- > Do we want to lean into a sub-style? (By default: Midrange1-Aggro2, Aggro1-Control2, Control1-Midrange2)
 - > Yes
 - > No
- > What sub-style do we want to lean into?
 - > Aggro
 - > Control
 - > Midrange

(Aqui tiras o que foi escolhido na primeira pergunta)

- Part2: What does the map require from the comp? (YES/NO QUESTIONS, apart from the 1st)

- > How many sites does the map have? (2/3)
- > When doing site execs / retakes / taking intermediate space, is the JIGGLEABLE ANGLE DENSITY high?
- > Overall, is the ANGLE DENSITY high?
- > Does the map have tight chokepoints?
- > When doing site execs / retakes / taking intermediate space, is ZONE CATALYTIC UTIL required?
- > When doing site execs, are SLICES required?
 - > (If answer is no:) Are SLICES good to create lurking opportunitites / constant LOS DENIAL?
- > Are we going to have a rough time trying to plant the spike?
- > Is the rotation time long? (Yes = 10+ Seconds)
- > Does the map require large smokes?
- > Do we need DEFUSE DENIAL?
- > Do we need VERTICALITY?
- > Does the map have *good* OP lines?

- > IF 3 SITES: +ASTRA, +KILLJOY, +VIPER (IF 2 SITES, EQUAL FOR EVERYONE)
- > IF YES: +FADE, +SOVA, +RAZE, +KILLJOY, +GEKKO, +BRIM
IF NO: ALL OF THE ABOVE AND +YORU, +PHOENIX, +SKYE, +BREACH, +KAYO, +REYNA
- > IF YES: +FADE, +SOVA, +RAZE, +KILLJOY, +GEKKO, +BRIM, +VIPER, +HARBOR, +NEON
IF NO:
- > Does the map have tight chokepoints?
- > When doing site execs / retakes / taking intermediate space, is ZONE CATALYTIC UTIL required?
- > When doing site execs, are SLICES required?
 - > (If answer is no:) Are SLICES good to create lurking opportunitites / constant LOS DENIAL?
- > Are we going to have a rough time trying to plant the spike?
